The Consulate General reserves the right to ask for additional documents if necessary.

Only complete applications will be processed

Due to the implementation of the EU-Visa-Information-System (VIS) all applicants applying for a visa must submit biometric data (ten fingerprints). Therefore personal appearance is mandatory.

The visa fee for national Visa D is Euro 150 and can be paid by card (EC-card, Maestro, V-Pay) or in cash in Euro at the time you submit your application. The visa fee is non-refundable even if the visa has been refused.

We do recommend entering the Schengen Area via an airport in Austria, because border control agents in other Schengen countries might refuse your entry into the Schengen area for planned stays over 90 days in the Schengen Area without a visa issued in your home country.
